Honorable Mayor and Board of Aldermen City of Oronogo Oronogo, Missouri

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying modified cash basis financial statements of the governmental activities, the business-type activities, and each major fund of the City of Oronogo, Missouri, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities, the business-type activities, and each major fund, of the City of Oronogo, Missouri, as of June 30, 2024, and the respective changes in the modified cash basis financial position and, where applicable, cash flows thereof for the year then ended in accordance with the basis of accounting described in Note 1.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City of Oronogo and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 1, which includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Information

Management is responsible for the other information. The other information comprises the budgetary comparison schedules, but does not include the basic financial statements and our auditors' report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Notes to the Financial Statements

June 30, 2024

1. Summary of Significant Accounting Policies

The City of Oronogo, Missouri, (the City) operates as a fourth class city under an elected Mayor - Board of Aldermen form of government and provides the following services: public safety, streets, parks and recreation, planning and development, and general administrative services. Other services include water, sewer, and trash operations.

The accounting policies of the City conform to the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America as applicable to governments. The following is a summary of the more significant policies.

Financial Reporting Entity

The City is organized under the laws of the State of Missouri and is a primary government governed by an elected five-member Board. The City is not financially accountable for any other organization, nor is it a component unit of any other primary governmental entity.

Basis of Presentation

The basic financial statements include both the government-wide (the Statement of Net Position and the Statement of Activities) and fund financial statements.

Government-Wide Financial Statements

The Statement of Net Position and the Statement of Activities display information about the reporting government as a whole. They include all funds of the reporting entity. Governmental activities, which are financed mostly through taxes and intergovernmental receipts, are reported separately from business-type activities, which rely mostly on fees and charges for services for support.

Fund Financial Statements

The accounts of the City are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, fund balance, receipts, and disbursements. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The funds of the City are as follows:

Governmental Fund Types

General Fund: The General Fund is the general operating fund of the City. It is used to account for all financial resources not accounted for in other funds.

Street Fund: The Street Fund is used to account for the proceeds of specific revenue sources that are restricted, committed, or assigned to expenditures for City streets.

Stormwater Fund: The Stormwater Fund is used to account for the proceeds of specific revenue sources that are restricted, committed, or assigned to expenditures for stormwater improvements.

American Rescue Plan Act Fund: The American Rescue Plan Act (ARPA) Fund accounts for the resources of federal grant revenue whose use is restricted for COVID-19 expenditures or the negative economic impacts of COVID-19.

Notes to the Financial Statements

June 30, 2024

Proprietary Fund Types

Water and Sewer Fund: The Water and Sewer Fund accounts for the activities and capital improvements of the City's water and sewer operations.

Natural Gas Fund: The Natural Gas Fund accounts for the activities and capital improvements of the City's natural gas operations.

Basis of Accounting

The government-wide Statement of Assets and Net Position and Statement of Activities, as well as the fund financial statements, are presented using the modified cash basis of accounting. This basis recognizes assets, net position/fund balance, receipts, and disbursements when they result from cash transactions. The modification to the cash basis relates to the presentation of investments. This basis is a basis of accounting other than accounting principles generally accepted in the United States of America and, as a result, these financial statements may not be suitable for another purpose.

As a result of the use of the modified cash basis of accounting, certain assets and their related revenues (such as accounts receivable and revenue for billed or provided services not yet collected) and certain liabilities and their related expenditures/expenses (such as accounts payable and expenditures/expenses for goods or services received but not yet paid, and accrued expenditures and liabilities) are not recorded in these financial statements.

If the City used the basis of accounting recognized as generally accepted in the United States of America, the fund financial statements for the governmental funds would use the modified accrual basis of accounting and the proprietary fund would use the accrual basis of accounting. All government-wide financial statements would be presented on the accrual basis of accounting and would include capital assets and long-term debt.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the City considers all investments with an original maturity of three months or less to be cash equivalents.

Investments

Investments in non-negotiable certificates of deposit are carried at cost.

Vacation and Sick Leave

Use of accumulated vacation and sick leave by employees in future years is not expected to have a material impact on City disbursements in any one year.

Property Taxes

Property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on November 1 and are due and payable at that time. All unpaid taxes levied November 1 become delinquent after December 31 of that year.

Long-Term Debt

Long-term debt arising from cash transactions is not reported in the government-wide financial statements or the fund financial statements, which is consistent with the modified cash basis of accounting. Debt proceeds are reported as other financing sources and payment of principal and interest are reported as disbursements.

Notes to the Financial Statements June 30, 2024

Capital Outlay

Capital assets are property and equipment purchases and are recorded as disbursements at the time the goods are paid for and received.

Fund Balance Classification

In the fund financial statements, governmental funds report aggregate amounts for five classifications of fund balances based on constraints imposed on the use of these resources as follows:

Nonspendable fund balance: This classification includes amounts that cannot be spent because they are either a) not in spendable form or b) legally or contractually required to be maintained intact.

Restricted fund balance: This classification reflects the constraints imposed on resources either a) externally by creditors, grantors, contributors, or laws or regulations of other governments; or b) imposed by law through constitutional provisions or enabling legislation.

Committed fund balance: These amounts can only be used for specific purposes pursuant to constraints imposed by formal resolutions of the Board of Aldermen – the government's highest level of decision-making authority. Those committed amounts cannot be used for any other purpose unless the Board removes the specified use by taking the same type of action imposing the commitment.

Assigned fund balance: This classification reflects the amounts constrained by the City's "intent" to be used for specific purposes, but are neither restricted nor committed. Assigned fund balances include all remaining amounts (except negative balances) that are reported in the governmental funds, other than the General Fund, that are not classified as nonspendable and are neither restricted nor committed.

Unassigned fund balance: This fund balance is the residual classification for the General Fund. It is also used to report negative fund balances in other governmental funds.

In circumstances when a disbursement is made for a purpose for which amounts are available in multiple fund balance classifications, fund balance is depleted in the order of restricted, committed, assigned, and unassigned.

Net Position

In the government-wide and proprietary fund financial statements, equity is displayed in two components as follows:

Restricted net position: Consists of the net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws and regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

Unrestricted net position: Consists of the financial position that does not meet the definition of "restricted."

When a disbursement is made for purposes for which both restricted and unrestricted net position (equity) are available, the City first applies restricted net position.

Notes to the Financial Statements June 30, 2024

Program Receipts

In the Statement of Activities, receipts that are derived directly from each activity or from parties outside the City's taxpayers are reported as program receipts. These include charges for good, services, or privileges provided and operating grants and contributions. All other governmental receipts are reported as general. All taxes are classified as general receipts, even if restricted for a specific purpose.

Operating Receipts and Disbursements

Operating receipts and disbursements for proprietary funds are those that result from providing services and producing and delivering goods and services. All other receipts and disbursements are considered nonoperating.

2. Cash & Cash Equivalents

State statutes require that the City's deposits be collateralized in the name of the City by the trust department of a bank that does not hold the collateralized deposits. As of June 30, 2024, all bank balances on deposit are entirely insured or collateralized.

3. Investments

Investments of the City as of June 30, 2024 consist of the following:

Investment Type	Maturity	 Total
Certificates of Deposit	7/19/24	\$ 1,556,261

Certificates of Deposit

Certificates of deposit are classified as investments but are considered deposits for custodial risk determination. State statues require that the City's deposits be collateralized in the name of the City by the trust department of a bank that does not hold the collateralized deposits. As of June 30, 2024, all Certificates of Deposit are entirely insured by the Federal Deposit Insurance Corporation or collateralized.

Custodial Credit Risk

For an investment, custodial credit risk is the risk that, in the event of failure of the counterparty, the City will not be able to recover the value of its investment. The City's certificates of deposit are entirely insured or collateralized by a trust department of a bank that does not hold the collateralized deposits.

Interest Rate Risk

The City does not have a policy which addresses interest rate risk.

Notes to the Financial Statements June 30, 2024

4. Restricted Assets

Cash and cash equivalents, fund balance, and net position have been restricted as follows:

	Cash a	ricted nd Cash	Restricted Fund Balance/ Net Position	
General Fund	<u>Equiv</u>	/alents	Ne	t Position

5. Assessed Valuation, Tax Levy, & Legal Debt Margin

Property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on November 1 and are due December 31. The county collects the property taxes and remits them to the City.

The assessed valuation of the tangible property and the tax levies per \$100 assessed valuation of that property were as follows:

	 2023
Assessed Valuation	
Real estate	\$ 24,472,866
Personal property	 7,965,228
Total	\$ 32,438,094
	2023
Tax Rates Per \$100 of Assessed Valuation	
General Fund	\$.2596
Street Fund	 .1239
Total	\$.3835

The legal debt margin at June 30, 2024, was computed as follows:

	General Obligation Bonds									
	0	rdinary (1)	Ac	lditional (2)		Total				
Constitutional Debt Limit	\$	3,243,809	\$	3,243,809	\$	6,487,618				
General Obligation Bonds Payable						<u>-</u>				
Legal Debt Margin	\$	3,243,809	\$	3,243,809	\$	6,487,618				

Under Article VI, Section 26(b) and (c), Missouri Constitution, the City, by vote of its qualified electors voting therein, may incur an indebtedness for any purpose authorized in the charter of the City or by any general law of the State of Missouri. The borrowings authorized by this section shall not exceed ten percent of the value of the taxable tangible property in the City.

Under Article VI, Section 26(d) and (e), Missouri Constitution, the City, by vote of its qualified electors voting therein, may become indebted not exceeding in the aggregate an additional ten percent for the purpose of acquiring rights of way, constructing, extending, and improving streets and avenues, and/or sanitary or storm sewer systems; and purchasing or constructing waterworks, electric or other light plants, provided that the total general obligation indebtedness of the City does not exceed twenty percent of the value of the taxable tangible property in the City.

Notes to the Financial Statements

June 30, 2024

6. Long-Term Liabilities – Governmental Activities

Long-term liabilities for governmental activities at June 30, 2024, consists of a financed purchase agreement and compensated absences.

In November 2021, the city entered into a direct borrowing financed purchase agreement with Southwest Missouri Bank to purchase a Police Interceptor. The agreement requires annual principal and interest payments through July 2025, including interest at 3.7%.

The City's financed purchase agreement provides for the cancellation of the agreement at the City's option on the renewal date each year, per state statue, however, the City does not foresee exercising its option to cancel. Therefore, this financed purchase is accounted for as a noncancelable financed purchase.

The following is a schedule of the future minimum payments under the financed purchase agreement (assuming noncancellation):

Year Ended	_	Direct Borrowing									
June 30,		Р	rincipal	Int	terest	Total					
2025	_	\$	6,320	\$	484	\$	6,804				
2026	_		6,558		246		6,804				
	_	\$	12,878	\$	730	\$	13,608				

The following table is a summary of the changes in the long-term liabilities of the governmental activities:

	_	Balance une 30, 2023	Addi	tions	Reti	rements	_	Balance une 30, 2024	Due	nounts Within ne Year

Notes to the Financial Statements

June 30, 2024

7. Long-Term Liabilities – Business-Type Activities

Long-term liabilities for business-type activities at June 30, 2024, consists of the 2016A Combined Waterworks and Sewerage Refunding Revenue Bonds, 2016B Combined Waterworks and Sewerage Revenue Bonds, 2023E Combined Waterworks and Sewerage System Revenue Bonds, one financed purchase agreement and compensated absences.

Revenue Bonds

On August 18, 2016, the City issued \$1,640,000 in Combined Waterworks and Sewerage Refunding Revenue Bonds for the purpose of refinancing the City's 2005C Combined Waterworks and Sewerage Revenue Bonds. The bonds bear interest at the varying rate of 1.00% to 3.60%. Principal payments are due December 1 and interest payments are due June 1 and December 1 of each year. If the City defaults in the payment of principal or interest on the bonds as they become due for a period of 60 days after written notice specifying such default has been given to the City, by the registered owner of any bond then outstanding, then at any time thereafter and while such default continues, the registered owners of 25% in principal amounts of the bonds outstanding may, by written notice to the City, declare the principal of all bonds then outstanding to be due and payable immediately. Annual debt service requirements to amortize the principal on the bonds outstanding at June 30, 2024, are as follows:

	Direct Placement								
Year Ending June 30,	Principal		Interest			Total			
2025	\$ 60,000		\$ 39,115		\$	99,115			
2026		60,000		38,335		98,335			
2027		65,000		37,525		102,525			
2028		65,000		35,805		100,805			
2029		65,000		33,888		98,888			
2030-2034		370,000		137,551		507,551			
2035-2039		440,000		73,055		513,055			
2040		100,000		5,310		105,310			
	\$	1,225,000	\$	400,584	\$	1,625,584			

On August 18, 2016, the City issued \$425,000 in Combined Waterworks and Sewerage Revenue Bonds for the purpose of constructing, furnishing and equipping improvements to the City's combined waterworks and sewerage system. The bonds bear interest at the varying rate of 2.10% to 3.70%. Principal payments are due December 1 and interest payments are due June 1 and December 1 of each year. If the City defaults in the payment of principal or interest on the bonds as they become due for a period of 60 days after written notice specifying such default has been given to the City, by the registered owner of any bond then outstanding, then at any time thereafter and while such default continues, the registered owners of 25% in principal amounts of the bonds outstanding may, by written notice to the City, declare the principal of all bonds then outstanding to be due and payable immediately.

Notes to the Financial Statements June 30, 2024

Annual debt service requirements to amortize the principal on the bonds outstanding at June 30, 2024, are as follows:

		Direct Placement							
Year Ending June 30,	Princi	pal	Interest		Total				
2025	\$ 2	10,000 \$	11,725	\$	21,725

Financed Purchase Agreements

On September 30, 2020, the City entered into a cancellable financed purchase agreement with NBH Bank for a sewer project in the amount of \$1,560,500. The financed purchase agreement requires annual payments of \$106,982 which includes interest at 3.3%. In the event of default, the Lender may declare all payments and other amounts payable.

Although the financed purchase agreement provides for cancellation of the agreement at the City's option at the renewed date, the City does not foresee exercising its option to cancel. The following is a schedule of future minimum payments under the financed purchase (assuming noncancellation):

	Direct Borrowing								
Year Ending June 30,	1	Principal	ı	nterest		Total			
2025	\$	71,167	\$	35,815	\$	106,982			
2026		76,875		30,107		106,982

Notes to the Financial Statements

June 30, 2024

8. Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City has transferred its risk by obtaining coverage from commercial insurance companies. In addition, it has effectively managed risk through various employee education and prevention programs. There has been no significant reduction in insurance coverage from the previous year.

9. Claims & Adjustments

The City participates in a number of programs that are fully or partially funded by grants received from other governmental units. Disbursements financed by grants are subject to audit by the appropriate grantor government. If disbursements are disallowed due to noncompliance with grant program regulation, the City may be required to reimburse the grantor government. As of June 30, 2024, disbursements have not been audited by grantor governments, but the City believes that disallowed disbursements, if any, based on subsequent audits, will not have a material effect on any of the individual government funds or the overall financial position of the City.

10. Pledged Receipts

The City has pledged future water and sewer customer receipts to repay the Series 2016A, 2016B and 2023E Combined Waterworks and Sewerage System Revenue Bonds issued to improve and expand the water and sewer system. The bonds are payable solely from water and sewer customer net receipts and are payable through 2058. Net receipts are receipts of the system less disbursements of the system. The total principal and interest remaining to be paid on the bonds is \$5,505,646. Principal and interest paid for the current year and total customer net receipts were \$217,588 and \$307,562, respectively.

11. Intermunicipal Agreements

Wastewater Treatment Facilities and Treatment

The Center Creek Wastewater Treatment Board provides wastewater treatment services to the citizens of Webb City, Carterville, and Oronogo, Missouri. In accordance with Missouri law, the Utility is operated by a Board of Directors. Bonded debt must be authorized by a resolution of the Board of Directors and approved by a vote of the citizens. The Center Creek Wastewater Treatment Board is a jointly governed organization between the cities of Webb City, Carterville, and Oronogo, Missouri, and authorized by an enactment of the Missouri General Assembly.

The Board is a component entity of the City of Webb City, Missouri, because the City of Webb City appoints a voting majority, or five of ten members of the Board, which is comprised of:

- The Mayors of Webb City, Carterville, and Oronogo.
- Four citizens of Webb City, appointed by the Mayor and confirmed by the City Council.
- Two citizens of Carterville, appointed by the Mayor and confirmed by the City Council.
- One citizen of Oronogo, appointed by the Mayor and confirmed by the City Council.

Notes to the Financial Statements

June 30, 2024

The purpose of the Board is to provide responsibility for the operation, maintenance, and replacement of jointly constructed wastewater facilities, which include a wastewater facility, interceptor sewers, pumping facilities, and force main. In accordance with the inter-municipal agreement, ownership and responsibility for operation, maintenance and replacement costs are allocated to each city based on flow consumption of the previous year. These percentages are as follows:

City of Webb City	82.91%
City of Carterville	9.61%
City of Oronogo	7.48%

The Center Creek Wastewater Treatment Board issued separate financial statements that may be obtained by calling (417) 673-4651.

12. Interfund Transfers

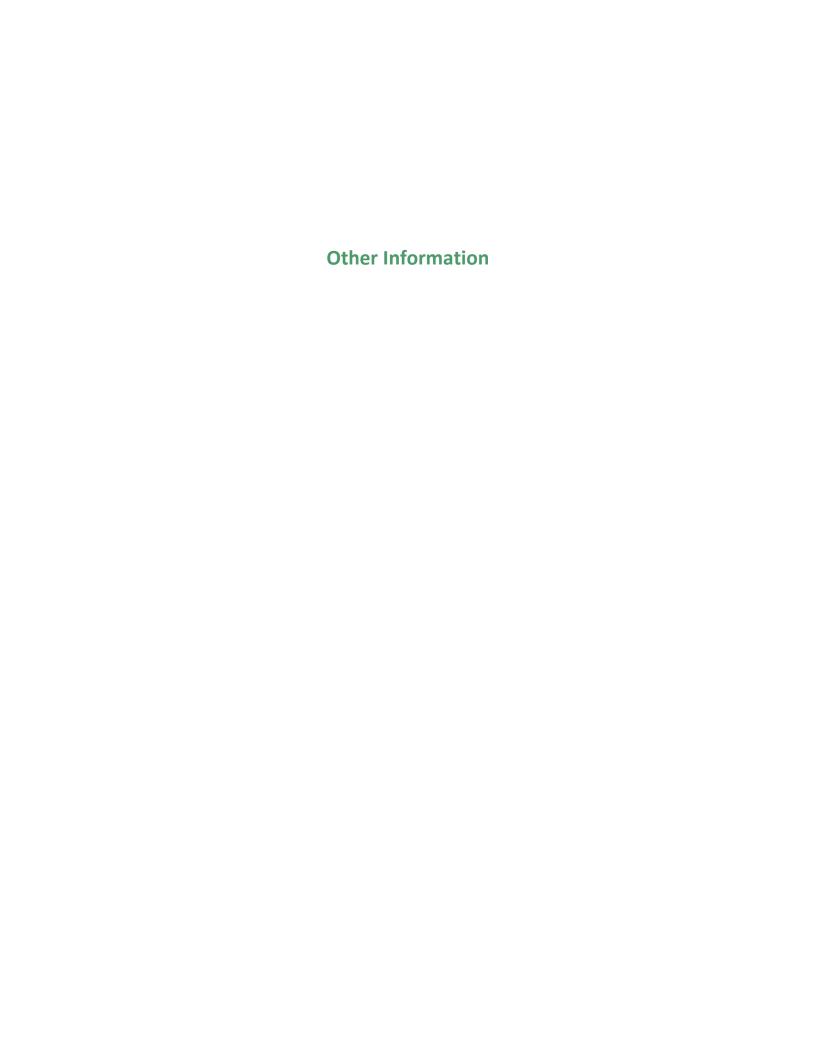

Transfers between funds of the City for the year ended June 30, 2024, were as follows:

	Trans	fers in (Out)
General Fund	\$	158,123
Street Fund		(1,382)
Gas Fund		(158,920)
Water and Sewer Fund		2,179
	\$	-

Transfers are made to (1) move receipts from the fund that statute or budget requires to collect them to the fund that statute or budget requires to disburse them, (2) use unrestricted receipts in the Enterprise Funds and General Fund to finance various programs accounted for in other funds in accordance with budgetary authorizations, and (3) reimburse various funds for amounts owed from the other funds.

13. Commitments

As of June 30, 2024, the City was committed to Omnigo for future payments for the right to use various police software packages in the amount of \$16,389.

Notes to the Budgetary Comparison Schedules

Year Ended June 30, 2024

Budgets and Budgetary Accounting

The City uses the following procedures in establishing the budgetary data reflected in the Budgetary Comparison Schedules:

- 1. Prior to July, the City Clerk submits to the Board of Aldermen a proposed operating budget for the fiscal year commencing the following July 1. The operating budget includes proposed disbursement plans and the proposed means of financing them.
- 2. One public hearing is conducted by the Board of Aldermen in late May or early June to obtain taxpayers' comments on the proposed budget.
- 3. Prior to July 1, the City adopts a budget.
- 4. The budget for the City is adopted on the modified cash basis. Budgeted amounts may be amended during the year by the City.
